Reviews!

Overall great experience. Truly one of a kind inventory and service. Easy to work with, straight forward pricing, and more than willing to meet our needs. 10/10 would recommend...
...Joseph R.

Kathy was great to work with. I was able to make my daughter's wedding spectacular because of the advice and supplies Kathy had. It's a great place to go to find what you need to give your event that extra special detail. ...Raquel J.

... Willing to go out of her way to get the things we needed even though she didn't have them in stock. Loved working with her and look forward to doing it again for my next daughter's wedding ...Danielle L.

I had the wedding of my dreams that I never thought I could afford to have! It was so beautiful and easy! —Amy L.

Kathy was amazing!! We had a last minute change in venue and she was so generous in allowing us to use so much beautiful stuff! I would definitely recommend Utah DIY Wedding to anyone that needs great decorations...! ...Linda B.

I LOVE my Brides!
